good services.

Contending Economic Theories

Contending Economic Theories offers a unique comparative treatment of the three main theories in economics as it is taught today: neoclassical, Keynesian, and Marxian. Each is developed and
discussed in its own chapter, yet also differentiated from and compared to the other two theories. The authors identify each theory's starting point, its goals and foci, and its internal logic. They connect ...

Neoclassical, Keynesian, and ... 
The first is entitled “Late Neoclassical Theory”, and co-authored with Yahya M. Madra (251-310). The second is entitled “Oscillations in Capitalism and among Economic Theories” (311-46). These chapters are significant additions. Notably, the latter chapter does add commentary to the historical development
of Keynesian economic theory.

‘Contending Economic Theories: Neoclassical, Keynesian ...’

The current book under review, "Contending Economic Theories: Neoclassical, Keynesian, and Marxian" published by MIT Press, is an extension of their previous book. The importance of
"Economics: Marxian versus Neoclassical" was that it offered an impressive introduction and intermediate level presentation to both neoclassical microeconomics and Marxian economics. To this day chapter 3 of ...
